

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Nux vomica (strychnine).
Oil of bitter almonds.
Opium.
Phenacetine.
Pyramidone.
Savin.

Salicylic acid.

Sulphonal.

Any of the salts, derivatives, compounds, or preparations of the foregoing substances.

Provided, however, That this section shall not apply to so-called proprietary or patent medicines which contain any of the above-named drugs in doses not to exceed those established by the U. S. Pharmacopoeia (where the U. S. Pharmacopoeia does not list the drug the National Standard Dispensatory shall be followed): *And provided further,* That in all cases except in physicians' prescriptions the quantity per apothecary ounce (weight or measure) of said drug or drugs shall be plainly and conspicuously stated on the principal label of the container or that the formula shall be deposited and registered with the board of health.

The names of the ingredients of proprietary and patent medicines, registered in accordance with the terms of this section, and all information relating thereto or connected therewith, shall be regarded as confidential, and shall not be open to inspection by the public or any person other than the official custodian of such records in the department of health, such persons as may be authorized by law to inspect such records, and those duly authorized to prosecute or enforce the Federal statutes, the laws of the Territory of Hawaii, both criminal and civil, and the regulations of the Board of Health of the Territory of Hawaii, but only for the purpose of such prosecution or enforcement.

SEC. 102. The following substances shall be known as schedule "B" drugs and chemicals; they shall be held to constitute poisons within the meaning of chapter 73 of the Revised Laws, 1915, and may be sold or delivered by persons who have no pharmacist license nor license to sell poisonous drugs, where such substances are sold or delivered in the original unbroken packages and a record of the sale kept as provided for in section 1001, R. L. 1915. For the purpose of this regulation, however, any package of a substance in schedule "B" put up by a duly licensed pharmacist shall be considered an original package. The box, phial, or other package in which any substance included [sic] containing the words "poison" and "laau make" in large letters, together with emblematic devices showing the skull and crossbones:

Arsenic in all forms.

IOWA.

Communicable Diseases—Whooping Cough, Measles, Mumps, and Chicken-Pox— Notification of Cases—Placarding. (Act Apr. 10, 1915.)

SEC. 2571-1a. *Physician to report whooping cough, etc.*—The physician attending cases of whooping cough, measles, mumps, or chicken-pox shall be required to report the same to the local board of health. In case there is no attending physician, it shall be the duty of the parents or guardian or school teacher to report same to the local board of health. [36 G. A. (H. F. 136, sec. 1.)]

SEC. 2571-2a. *Warning signs posted.*—It is the duty of the local board of health to cause a card with the name of the disease printed upon it to be placed upon the home where the patient resides, which shall act merely as a warning to the public. [36 G. A. (H. F. 136, sec. 2.)]

SEC. 2571-3a. *Not a quarantine.*—That this act is not to be regarded as a quarantine but merely as a notice to the public. [36 G. A. (H. F. 136, sec. 3.)]

Tuberculosis—Care of Patients by Counties. (Act Apr. 12, 1915.)

SEC. 409-t1. *Repeal.*—Section 409-t, supplement to the Code, 1913, is hereby repealed. [36 G. A. (H. F. 352, sec. 4.)]

SEC. 409-t2. *Board of supervisors to provide care for indigent tubercular persons.*—That the board of supervisors of each county in this State shall provide for suitable care and treatment of persons suffering from tuberculosis and who are financially unable to provide for themselves and who have no relatives liable for their support. [36 G. A. (H. F. 352, sec. 1.)] [35 G. A., ch. 40, sec. 1.]

SEC. 409-t3. *Same.*—That in compliance with the foregoing, boards of supervisors may construct or otherwise secure, equip and operate such suitable buildings for the proper segregation and maintenance of said designated persons, or the board of supervisors shall place such persons found to be indigent and suffering from tuberculosis in institutions where suitable care and treatment may be given: *Provided*, That the care and treatment of all persons found to be indigent and suffering from tuberculosis shall be approved by the State board of control. [36 G. A. (H. F. 352, sec. 2.)]

SEC. 409-t4. *Allowance for support; appropriation for buildings; election authorizing greater expenditure.*—The board of supervisors shall allow for the care and support of each patient when in such designated institution, a sum not exceeding \$15 per week, from the poor fund: *Provided*, That in counties of 67,000 or over, population, a sum not to exceed \$15,000, in counties of 15,000 or over population, and less than 67,000, a sum not to exceed \$5,000, and in counties of less than 15,000 population, a sum not to exceed \$2,000 may be appropriated out of county funds for constructing, acquiring and equipping buildings without submitting the same to a vote of the qualified electors. The board of supervisors may submit the question of expending a greater amount than above specified by a vote of the qualified electors of the county at any general election and may for such purposes expend the amount authorized by said vote. [36 G. A. (H. F. 352, sec. 3.)]
